SimpleSail is Your Adriatic Yachting Team

Yacht charter, skippers training and skills improvement. Yachts registration, repairs, maintenance, preparation for regattas. Support of purchasing and sales of yachts. Annual and seasonal yacht berthing in Montenegro and Croatia. Joint acquisition program for new yachts.

Corporate profile

The SimpleSail company was founded in 2013 as pleasure yachts fleet operator. The main activity – yacht charter: bareboat and crewed. At the moment, our fleet has more than 30 sailing and motor yachts and catamarans. Every year our fleet is replenished with new yachts. Each vessel has a corresponding set of additional equipment necessary for comfortable and safe travelling. The main partners of SimpleSail are the French boatyards Beneteau and Fountaine Pajot.

SimpleSail services

In addition to yacht charter activities, we provides a wide range of services for sailors and yacht-owners including certified training in sailing school, general maintenance, repairs, registration, insurance, yacht berth providing. Since 2015, we have been implementing program of charter management that attracting ship owners yachts to work in the SimpleSail fleet. Our «Yacht Owners» program allows you to become a yacht owner for 50% of the cost only.

Experience

Our staff has a lot of experience and dedicated yachts and the sea to the whole life. Our captains have passed thousands nautical miles in all waters of Mediterranean, Black and Baltic seas, Atlantic, Pacific and Indian oceans, they have behind them many awards in prestigious international regattas such as Rolex and ARC. Every year our engineering and management staff undergoes advanced training courses at boatyards in France.

Cooperation

We offer partner discounts and cooperation programs for tour operators and charter agencies from all around the world. On special terms we provide our vessels for sailing schools, event agencies, and other charter companies. Often the SimpleSail fleet participates in corporate regattas and other sports and ceremonial.

Bases:

Our bases located on the coast of Montenegro and Croatia. While in Montenegro SimpleSail is the largest charter company with a fleet of yachts of various sizes and types. We are always open for cooperation and ready for dialogue.

Our Own Charter Fleet

There are sailing and motor monohulls and catamarans, at your choice. You can book different sized yachts - from 34 to 48 feet, with a capacity of 6 to 12 people. SimpleSail operating its own fleet in Croatia and Montenegro. First of our yachts were built and purchased in 2014, since that our fleet replenished every year.

Sailing and motor yachts

We are offering various sizes Beneteau yachts with layouts from 34 to 48 feet (9.9 - 14.6 meters), with capacity from 1 to the 5 cabins. Each cabin comfortably accommodates 2 people. There is also several toilets combined with a shower on board.

The Beneteau boatyard celebrated its 130th anniversary in 2014. It is one of the oldest yacht builders in the world. Every year several thousand of sailing and motor yachts launched under the brands of the Beneteau concern. Production located in Europe and America. Repeatedly Beneteau vessels recognized as the yacht of the year.

Sailing and motor catamarans

There is a number of catamarans of the French shipyard Fountain Pajot in our fleet . It was founded in 1976 by Jean-Francois Fontaine, returning to La Rochelle, after the Olympic Games in Montreal. Today this shipyard builds exclusively reliable and comfortable motor and sailing catamarans.

3 and 4-cabin sailing Helia 44 and Lucia 40 (11.7 - 13.3 meters) and 4 cabin motor catamarans MY 37 and MY 44 (11 - 13.4 meters) available for charter in Montenegro and Croatia. Unlike monohull yachts, catamarans are distinguished by a much larger living space on the deck and below, complete absence of heeling significantly increases the comfort of staying at sea.

Additional equipment

All our boats equipped with a corresponding set of navigation, radiocommunication and safety equipment, a set of paper charts of the Adriatic Sea and navigation instruments. There is an inflatable boat - a tender. Please note that the outboard engine for the tender is ordered additionally when booking a charter.

The cabins and salon provides a large number of compartments for storing various things and a galley area has a refrigerator, a sink, a gas stove with an oven.

Sailing School

SimpleSail - official partner school of IYT Worldwide. We teach sailing and motor yachts skippers. IYT Worldwide is one of the world's leading learning systems. IYT certificates recognized both by charter and insurance companies and by official bodies in more than 50 countries around the world.

Training program

There is next courses we offering from basic to advance:

Competent Crew - for beginners who would like to become active crew members rather than just passenger. It is mostly practical course and by the end you will be able to steer, handle sails, keep a lookout, row a dinghy and assist in all duties on board.

Bareboat Skipper - for those who wish to take command of their own yachts confidently and safely or for those who wish to safely charter a yacht for their holiday. Those who have obtained the Bareboat Skipper qualification, can automatically obtain the "International Certificate of Competency" (ICC)

Yachtmaster Coastal/Offshore – not for beginners, for those who want to improve their skills and expand limits

All courses can be done with one – sail or power or both sail and power endorsements

Bareboat Skipper qualification includes marine Communications course (Very High Frequency – Short Range Certificate) which also can be done as separate two days course

The list of courses we offering includes following training programs:

- International Bareboat Skipper Power/Sail
- MCA ICC 24m Sail, 10m Power Coastal/Inland
- Powerboat Skipper
- VHF Marine Communication Master SRC
- Yachtmaster Coastal Sail and Power
- Yachtmaster Offshore Sail and Power
- Navigation master
- STCW95 safety training

The instructors of our school are friendly and communicative teachers who have many years of experience in marine practice. Despite the complexity and intensity of the course, students easily master the material and in most cases successfully pass the exams.

Welcome to the world of sailing!

Your new yacht for 50% of the cost

Take advantage of SimpleSail Yacht Owners Program and become the owner of the new yacht for 50% of the cost and compensate for your yacht operating costs covered by income from the charter. This offer is for those who want to significantly reduce their costs for the purchase and subsequent ownership of the yacht. You become the owner of a new vessel and in partnership with us earn through the of charter.

What is the main essence of SimpleSail Yacht Owners Program?

We annually replenish our fleet and invite our partners to participate in the program of acquiring new yachts: we finance 50% of the cost of the vessel; you finance the second half. After manufacturing, launching and equipping with appropriate safety systems and additional equipment, the yacht starts work in SimpleSail charter fleet.

Further, in 4-5 years, in accordance with the actual implementation of the return on investment plan, depending on the type of vessel, its cost and the demand for charter services, the yacht becomes yours. During all this time, the vessel carries out all the necessary measures for registration, maintenance, repair and insurance. You can use the yacht for free for your needs for 4-6 weeks a year right after its purchase.

Why SimpleSail?

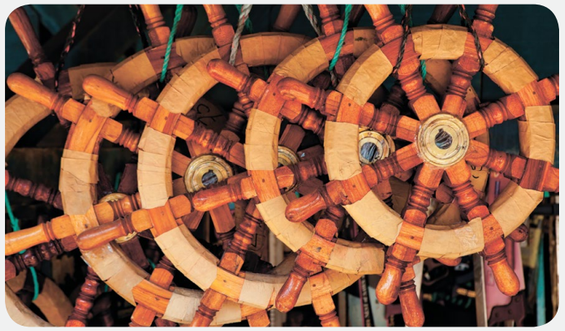
Significant discounts when buying a yacht at the shipyard. Discounts from suppliers for additional equipment. Discounts for insurance of the vessel. Professional staff, full support of the transaction and subsequent operation:

- Selection of the model and complete set of the yacht
- Construction supervision at the shipyard
- Acceptance, launching and transfer
- Full cycle insurance support
- Paperwork, registration
- Maintenance of the ship operation, current repair
- Accompanying the subsequent sale (if necessary)

We ensure the maximum possible loading of the yacht in the charter due to the availability of long-term charter contracts with the leading charter agencies all around the world. Importantly, registration of a vessel in Montenegro gives the yacht owners the opportunity to significantly reduce their tax costs due to a zero VAT rate on imported yachts. In case of registration and subsequent operation of the yacht in Croatia, VAT is accrued in accordance with the current EU directive «On the General System of Value Added Tax».

Maintenance and repair

The main goal of maintenance of yachts - to provide a mode of regular operation of a ship for many years. We carry out all types of repair works for monohulls and catamarans.



Yacht brokerage

The purchase or sale of a used yacht using the services of a professional representative - SimpleSail yacht broker.

Charter management: your yacht is your income

If you are a yacht owner or planning to become one and same time want to reduce to zero the operational costs of your yacht and receive additional income - we have best offer!

Yacht registration

Registration of yachts under the flag for individuals and companies. Choosing the best option for you.

Yacht insurance

Depends on the type of your yacht, navigation region, purposes and operating characteristics, we offer exactly the insurance product that completely cover your needs.

Super yachts insurance

The reasoned choice of an insurance broker and understanding the specifics of marine insurance are the main criteria that determine the SimpleSail approach to work with clients in this direction.

YACHT-POOL INTERNATIONAL

SimpleSail is a reliable partner

SimpleSail has joined the international insurance program Yacht Pool Financial Security System to confirm the status of a reliable partner. For our customers, this means a guarantee of the return of their payment in the event of a financial insolvency of a travel agency or a charter company. Obtaining the status of a member of the Yacht Pool Financial Security System dictates the maximum possible level of responsibility for SimpleSail before the client.
